

Rhode Island Fire Chiefs Honor Flight Hub

“A Veteran’s Day of Honor” November 12, 2017

September 25, 2017

Dear Honor Flight Supporter,

The Rhode Island Fire Chiefs (RIFC) Honor Flight Hub is a 501(c)(3) tax-exempt organization that was established in 2012 as a local affiliate of the nationally known Honor Flight Network. The Network was created to honor America’s veterans for their sacrifice and service. Currently, the mission of the RIFC Honor Flight Hub is to transport our World War II and Korean veterans and any terminally ill veterans to Washington, D.C. to visit and reflect at their memorials at **no cost to the veterans**. Since 2012, we have taken sixteen flights, transporting close to 500 veterans.

The RI Fire Chiefs Honor Flight Hub has been determined to be the best at what we do. We want our veterans to have the greatest possible experience that we can give to them. It is the least we can do for all that they have done for us. We were extremely proud when the Honor Flight Network chose RI as the Hub for the “Leading by Example Award in 2017”. There are over 140 Hubs in 44 States and your RI Fire Chiefs Honor Flight Hub was chosen above all the others.

Friends, we can no longer accomplish our mission alone! We need your help! We will be holding an event **“A Veteran’s Day of Honor” on November 12, 2017, at Twin River in Lincoln**. Enclosed in this packet you will find information regarding the event, including an event sponsor support document that explains the various levels of sponsorship that can be purchased. We are asking that you do all that you can to sponsor this event.

We want to continue our mission, but to do so, we need your help and financial support. Please support our event, **“A Veteran’s Day of Honor” on November 12, 2017**, at Twin River in Lincoln, Rhode Island. We look forward to seeing you there!

Sincerely,

George Farrell

Chief George Farrell, (Ret.)
