RI State Firefighter
Memorial

Located at the
Rhode Island
Fire Training Academy

Dear RI State Firefighter Memorial Supporter:

***Please help us complete the RI State Firefighter Memorial.
You personally, can be a part of completing this memorial
by purchasing a brick for the brick walkway/plaza.***

You can purchase a custom engraved brick that will be installed in the walkway/plaza. Your brick, with your own personal message, memorial or name, will make you more than a contributor to this memorial – you will actually be providing a personalized piece of it. Each brick may also include the fire service Maltese cross engraved on it as well (space req.)

Three sizes of bricks are available to be custom engraved:

A 4x8 inch brick, with up to 3 lines of engraving (15 spaces each line) for \$150.

An 8x8 inch brick, with up to 5 lines of engraving (20 spaces each line) for \$300.

An 12x12 inch brick, with up to 8 lines of engraving (20 spaces each line) for \$500.

Make sure that you, your organization, business or department are a part of completing this memorial by purchasing your own custom engraved brick for the RI State Firefighter Memorial.

Time is limited, as we will be placing the order for the bricks by Spring, 2019.

We hope to have this memorial completed by the Summer of 2019.

Remember that your donation is tax deductible. Please make your check payable to the "RIAFC Foundation"
